

Technical Alert

Call for Technical Nominations User Testing of New Electronic Listing Facility (ELF) System

Dear CHC Regulatory & Technical member,

The CHC invites nominations from experienced ELF users to attend a session to assist in the final test cycle of the new Electronic Listing Facility (ELF). The session will be conducted at the Symonston TGA on Tuesday **18 June from 10:00am-12:00**. Nominations are limited to 8 industry representatives and should be sent to [Emma Burchell](#) before **Thursday, 30 May 2013**.

For members who are not be able to make this session, the TGA are planning to conduct subsequent "Road Shows" for Melbourne and Sydney, which will take a similar format. Dates for these sessions will be announced shortly.

Background

The TGA has been working to redevelop its Electronic Listing Facility (ELF) to:

- improve usability and performance through intuitive data entry screens
- provide better guidance information when filling out a listing application form; and
- ensure sponsors are better informed about their statutory obligations when applying for a listing online via ELF.

With the IT development cycle concluding, the TGA are seeking **experienced ELF users** to attend a session to assist in the final test cycle. This Test Lab will inform users of new ELF features and TGA staff will provide a walk through demonstration show casing differences between the old and new ELF. The Test Lab will include a "hands on" session, where users will be able test the new system and provide feedback.

The session will include:

- Welcome page and Hover Help
- Enhanced search capability and validation sidebar features
- New hyperlinks to useful information
- Online training module
- Hands on session
- New ELF user guide.
